Demolition of existing outbuilding, erection of temporary site lodge for accommodation of 24hr security staff, replacement of entrance gates and boundary fencing, formation of driveway and associated landscaping (retrospective).

Although not notified of the application by SDC as our boundary does not abut the site, it was agreed that we could make representations on this application.

It was agreed that we should object because of harm to the Green Belt and no indication of any special reasons to justify having 24hr security
